

Directions to the Studio (355 Taylor Avenue, Bellevue, KY 41073)

Bellevue is just across the river from downtown Cincinnati and is best accessed via I-471. Check your GPS for the fastest route for your time of day. Most people use these directions, but if you are coming from another direction, please contact me.

1. From I-471, take **Exit 5, Route 8**
2. **Turn right onto Route 8** (coming from either direction).
3. After a few blocks **turn right onto Taylor** (light, 5/3 bank on corner).
4. The studio is up a few blocks & on the left, just past the Divine Mercy Parish church. Look for a sign with my logo in the door window. Free street parking in front of the studio and surrounding streets.

If you are running late, you may contact me at the studio number, 859-360-2981.
